We Pursued Perfection through Novelties

Favorite styles this year for the boys were the button down ivy-league shirt, continental trousers, ivy league suits with accompanying multi-colored vests and, of course, the ever-favorite letter jacket. The girls in 1960 favored pleated skirts, blazers, bulky knit sweaters, and for casual wear, bermuda shorts.

"No place to go" is the typical complaint heard as KHS students keep in style with the new small car rage.

Songs that were "in" yesterday are "out" today. Favorites of the teen-agers this year are the Kingston Trio, Bobby Darin, Connie Francis, and Johnnie Mathis.

Seniors sell popcorn at basketball games to raise money.

Thirsty dancers, Al Towne, Bonnie Sommerville, Carole Wilmarth, and Gary Hadsall, take time out for refreshments at the Prom.

Members of the Class of '60, B. Jackson, D. Albrecht, C. Dines, D. Domingez, and J. Eisenbarth pull vigorously at the Tug of War as J. Rinella and J. Ririe look on.

With a warm, friendly smile for her subjects, Queen Connie Maxwell reigns over Homecoming festivities.

Busy seniors, Joyce Thurwanger, Tom Blake, Tom Janky, Pat Kirman, Al Towne, Jim Eisenbarth, Carole Wilmarth, and Gary Ward put finishing touches on the senior class float.

Queen Connie Reigns In Pomp and Glory

"Beat Ottawa" heralded the approach of one of the biggest events of the school year — Homecoming. Hard work, anxious moments, tears of joy, frustration, and sadness characterized KHS students as committees raced against time to finish seemingly impossible floats and skits.

A pep rally around a huge bonfire, followed by the Snake Dance, aroused KHS spirits. The pep assembly further fired Boiler fans with the spirited cheering and hilarious skits depicting such typical scenes as a beatnik pep rally, a horror pep rally complete with vampires and ghosts, and the usual (Judas Proost) ribbing of coaches and team.

Following the assembly the parade drew many oohs and ahs from onlookers as the floats and band wound their way downtown.

Climaxing the activities was the crowning of Queen Connie Maxwell at the football game which was followed by the annual dance.

"Sink the Pirates" was the theme of the first place float entered by the Sophomore Class.

The second place float constructed by the Senior Class showed their spirit with the entry, "Our K-night In Shining Armor."

Taking third place honors was the Junior Class float, "An Udder Victory."

During the Senior Class Skit Mike Cisco smacks Bill Flannery with a banana cream pie while Karen Jones, Sandy Smith, Ralph Baker, and Tom Terry look on.

School spirit is displayed by enthusiastic students at the annual bonfire.

Watching Bob Spect, FFA President, present Queen Connie Maxwell with a bouquet of red roses are Bill Pirtle, Chip White, Christine Daniels, Sue Martin, Pete Guzzardo, Al Towne, Tom Blake, Judy Kendall, Jim Eisenbarth and Carolyn Huber.

Father's Space Antics Upset Entire Gibson Family

Rockets, jets, and space guns seemed to be the continual topic of conversation around the Gibson household on November 20, when the Junior Class, under the direction of Miss Heidi Herboth, presented its annual play entitled "Father's Been To Mars."

Assemblies Add Zest

1960 was an outstanding year for assemblies at KHS. We were significantly honored this year with a special assembly by "Presidential Citation" winner, Rubinoff, renowed violinist. Besides entertaining with his violin, Mr. Rubinoff also entertained the student body with an energetic display of artistic temperament.

Entertaining us also this year was the Millikin University Choir with their inspirational singing.

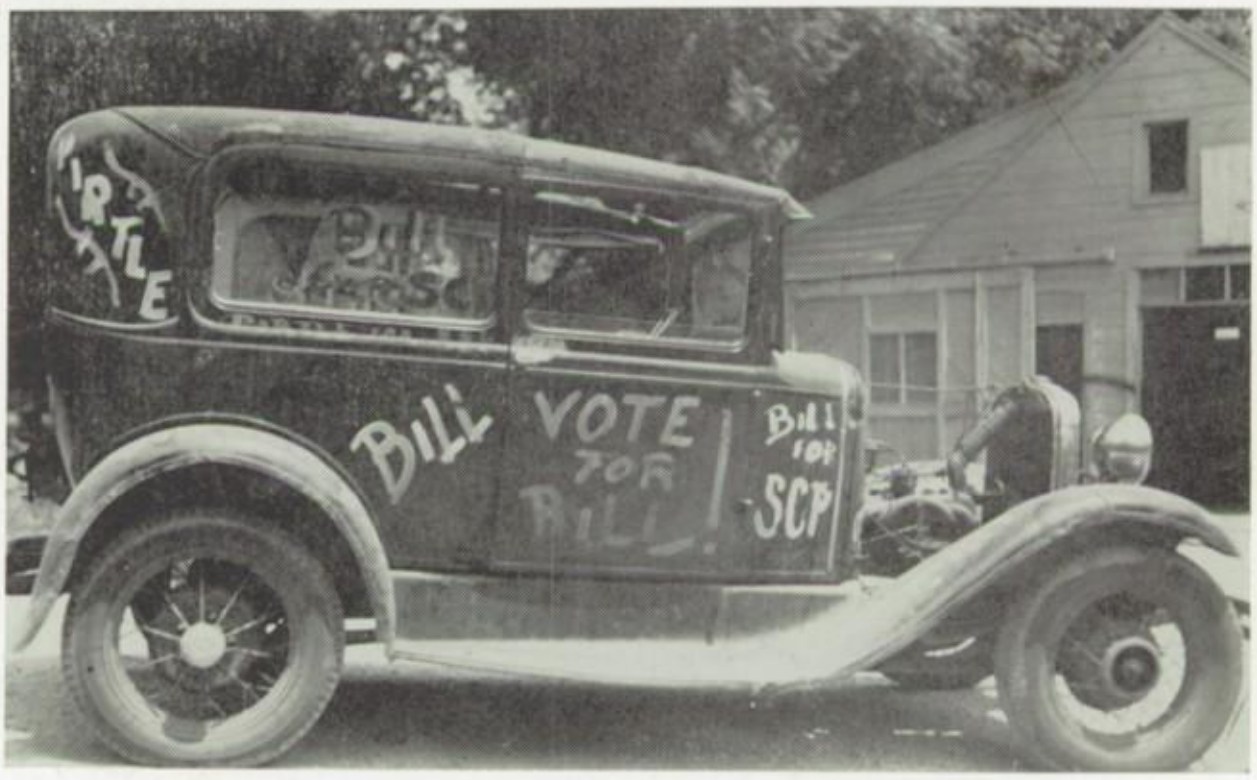
In contrast a very helpful assembly was provided by Mr. Frank Liddle, as he discussed teen-agers' problems.

Educationally we were inspired with a movie and talk by C. J. Albrecht on "The Alaskan Expedition."

KHS Lettermen are shown forming the now famous pyramid during their pep assembly.

K Chronicle staff members are photographed during skit in their subscription assembly.

Janet Binder, Vicki Terry, Jim Ririe, and Jane Schneider work diligently on signs for George Guzzardo's campaign.



We saw "Vote for Bill" everywhere.

Election Fever Ends With John As Victor

Speeches, posters, fortune cookies, and tongue depressors are reminders of the bustling activity that accompanied the Student Council Presidential Election in April. Students spent many busy hours applying their talents and ingenuity on campaign stunts in hopes that their candidate would be the one elected. Climaxing the spirited campaigning of the 1959-1960 school year, John Peden emerged as the final choice of Kewanee High School students.

John was our choice.

Publication editors, Connie Maxwell with her escort, John Peden, and Margaret Baumgartner with her escort, Charles Faoro, lead the grand march.

Mardi Gras Festivity Under a Rainbow Ceiling

Under a multi-colored ceiling of pink, yellow, and blue, the students of Kewanee High School swayed to the music of Gordon Sundberg and his Melody Makers at the annual Midwinter Formal. Sponsored by the publication staffs, the dance was held on the evening of January 16, 1960, from nine o'clock to twelve.

Entertainment, presented against a background of huge masks, depicting the "Mardi Gras" theme, was provided by Jan Niedziela, Tom Lindley, and Bill Pirtle, accompanied by Larry Lyle. Charles Dines and Don Hamm also sang, and refreshments were served on decorated tables on the balconies.

Entering the world of Mardi Gras, Bob Hultgren and Judy German are greeted by gaily costumed servers.

Charles Dines, Susan Dunn, Mrs. Spicer, and Bob Jackson lend a helping hand to George Guzzardo, as he adds the finishing touches to formal decorations.

"Mardi Gras" provides the perfect atmosphere for dancing.

Entertaining with folk songs are Bill Pirtle, Tom Lindley, Jan Niedziela, and Larry Lyle.

The Grand March . . .

Student teacher, Bob Welch, lectures attentive English students.

Honoring the fine work of KHS instructors, a day is set aside each spring so that the more apt student may have his turn conducting a classroom discussion. This elected post is a great honor.

Offices are held by student council officials acting as deans, principal, and secretaries. Besides carrying on the tradition of Student Government Day, the students soon realize the preparation and work that goes into a day's classes.

Students Gain Knowledge Through Experience

Every grade school class room in our school system has heard the call letters of our first radio station WKSD. Gaining valuable experience, the announcers and self-trained technicians cue up pre-recorded tapes so that Spanish and current events can be taught to attentive students. A truly worthwhile organization...

All Remember "The Night of January 16th"

The Class of '60 has introduced a new and different type of play to KHS dramatics.

"The Night of January 16th," staged in a court room, is a drama adapted from an actual court case. Karen Andre, the main character, is accused of hurling her lover off a penthouse patio.

The scheme, involving world finance and torrid love affairs, ends with a decision delivered by a jury chosen from the audience.

Pandemonium in the court room.

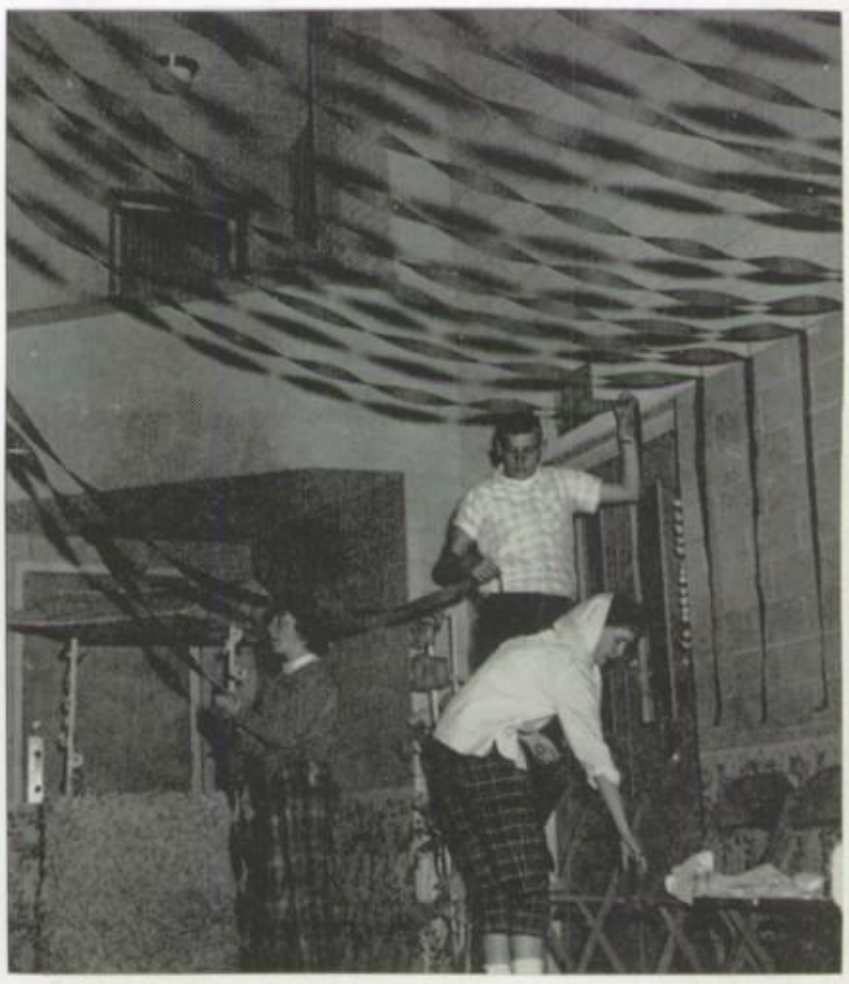
'Southern Rendezvous'

Fairoaks, the famous southern plantation, transformed the Kewanee High School gymnasium into a realistic setting of the Old South on May 16, for the Junior-Senior Prom. Dancing to the music of the Billy Williams orchestra, the couples sailed past the veranda of the massive, white mansion. Memories of the garden with the colorful Japanese lanterns; the freshmen girls in black dresses and white organdy aprons serving refreshments; the Teardrops singing a novelty rendition of "Moments to Remember;" all provided a memorable background for the theme of "Southern Rendezvous."

The after-prom party at Midland Country Club, sponsored by the parents of the Junior Class, added the final touch to the unforgettable occasion of the 1959 Junior-Senior Prom.

"How could such a beautiful prom result from scuh a mess?" wonder Connie Maxwell, Bonnie Sommerville, and Tom Terry.

Adding the final touches to the colonial mansion are Susan Dunn, George Guzzardo, and Bill Pirtle.



Falling streamers present difficulties for Mike Cisco, Jim Rinella, and Karen Jones.

Pride and relief reflect on the faces of the exhausted Juniors as they gaze at their finished product.

Sharon Tucker and her escort dance to the music of Billy Williams and his orchestra.

On to Midland!

KHS Band Entertains Boiler Fans

"Hut 2, 3, 4!" are familiar words heard by the KHS marching band. Working diligently to present entertainment for each home football game, the highlights of the marching band season was participating in the homecoming activities. The rousing music of the band fired the students' spirits at the pep assembly, the vigorous marching music provided the stimulus for an enthusiastic parade, and the formation of the traditional huge "K" with lights out for the playing of the "Stars of Kewanee" was an inspiring background for the homecoming coronation.

A brisk change of pace came about as the marching band became the concert band and participated in the annual NCIC Music Festival, Spring Concert, and Commencement exercises.

Harmony and Perfection; Goals of KHS Choir Singers

One of the highlights of each year's Christmas assembly is the program presented by the KHS Choir. This year the student body thrilled to "The Christmas Story," a famous choral written and perfected by Fred Waring.

The choir, consisting of members from every class, is directed by Mr. Fred Waterman. The members are usually chosen from the girls' and boys' glee clubs.

Every year the senior members of the choir plan and stage the "Songarama," a musical program held in the early spring. Both the students and the choir look forward to this event.

Besides entertaining the student body, the choir also participates in the NCIC Festival, World Day of Prayer, assemblies, and entertains various social groups.

Students Enjoy Music

"Won't you ever learn to tune your own instruments?" exclaims Mr. Bert, as members of the orchestra gather around him at the beginning of each orchestra period. Playing in tune is one of the keynotes stressed in orchestral techniques.

The orchestra participates in many concerts throughout the year. The Mississippi Valley Spring Festival and Mid-Winter and Spring Concerts are the most outstanding ones.

Languages Teach Us Of Foreign Customs

"Buenos dias, senoritas y senores!" These words are familiar to Spanish students in the Pan American League at Kewanee High. Miss Hansen, advisor of the club, has taught the students parliamentary procedure in Spanish. This procedure is used at every meeting throughout the year.

The Latin Club, under the guidance of Mr. Carlat, meets on the first Friday of every month. This year the club is working on a play entitled "The Three Little Pigs," which is written in Latin.

At Christmas the members of the Latin Club go caroling through the halls.

"Don't forget to clean the tires, Pan Am members."

Is Nursing My Future?

A rapidly expanding organization, the Future Nurses of America, is under the direction of Mrs. Laura Harvey. Members of this club are junior and senior girls interested in nursing as a career. Films on nursing are shown and then discussed by the group. In the course of the year members have enjoyed listening to guest speakers from various nursing schools and nurses who have specialized in various fields of nursing. After the business meeting the girls are free to take pamphlets on the different phases of nursing. At the last meeting of the year a small party is given to present nursing pins to those who have earned them.

Red Cross-Our Friend

Helping people is the main purpose stressed by the Junior Red Cross. In order to carry out their purpose, the members organize many projects throughout the year. The biggest undertakings include the membership drive of the homerooms and the filling of boxes by students for needy people overseas.

Another helpful and appreciated project is the sending of stuffed animals to the local hospitals. These animals provide many hours of enjoyment for sick children. At Easter, favors are taken to the hospitals for the patients' trays.

Every year members raise money for the Senior Red Cross. This is done by checking coats at the blood donor program.

Discussing their latest project are Red Cross officers: Karen Beens, secretary; Pat Daniel, president; Miss Remmers, advisor; Linda Ouart, vice-president; Donna Tessman, treasurer.

Teaching Can Be Fun!

Each year the demand for more teachers increases. We are very fortunate to have our own chapter of Future Teachers of America at KHS.

During the school year members of FTA have the opportunity to teach. Through the work of the advisor, Mr. Middleton, the members are able to obtain teaching experience in local grade schools. The student teachers are also given the choice of school and grade levels in which to teach.

FTA has taken part in many other school activities besides teaching. The members have participated in Homecoming by building a float. Several others have attended various out of town conferences and have come home with many new ideas. During the Christmas season FTA decorates a tree in the cafeteria.

Girls Fed. Council Conducts Surveys of Alumni

The Girl's Federation Council, conducting their eleventh annual survey worked this year to determine the progress of the 1958 graduating class.

To acquaint the eighth grade girls with high school life, the council holds a Big Sister party. They also honor senior girls and their mothers at the annual Senior Tea.

Sandra Smith, Susan Dunn, and Carol Stacy leave to conduct alumni surveys.

Sportsmanship Aroused by Contributing Organizations

Two groups lending support and enthusiasm to the sports at KHS are the Pep and Lettermen's Clubs. Although the Pep Club is open to everyone in school, Lettermen's Club is composed of all boys earning a major letter in any sport. The lettermen directed a pep assembly featuring a pyramid as the main stunt. Color programs were also sold by them at every home game.

The Pep Club sponsored buses to all tournament games, paying most of the expenses themselves.

With an 116-day steel strike during this year, the debate topic on the regulation of labor unions was a timely and ever-changing subject. On December 5, the debaters journeyed to Geneseo for its first meet. The next week included a trip to Illinois State Normal University.

With this experience behind them, the debaters came back to place third at the two conference meets, Northwest and North Central. On January 29 and 30, they made their annual trip to Augustana College, where 62 schools debated. The highlight of the year for the debaters was competing in the Sectional Tournament.

Social, Mental, Physical Growth—Goals of GAA

"I'd rather belong to GAA than anything else I know. It puts the punch into the bunch and keeps them on the go!", the closing refrain at GAA meetings, reflects the active spirit of this group of girls.

Social, mental, and physical growth are the goals of the GAA as each girl strives to become a well rounded individual. Sponsoring such events as mothers' teas, dances, intramural contests, dad 'n' daughter parties, carnivals, and mothers' night at a basketball game provides a varied program for this enthusiastic organization.

The highlight of the year for members of this group is the annual award presentation for those who earned awards through participation in the activities.

Projectors and Cameras Go Hand In Hand

Composition, exposures, and developing are among the many things that the Camera Club studies. To take better pictures is the aim of the members. Taking photographs at the Mid-Winter Formal is one of the club's money-making projects, while training photographers for the publications is its main undertaking.

The Projection Club learns the operation and maintenance of the movie projector. Members of the organization are often called up to operate projectors for various classes. By doing this, the projectionists gain valuable experience in working with the tools of their trade.

Ethics Council Strives For Higher Standards

Maintaining high standards of behavior is stressed by the Ethics Council. This group consists of the presidents of all organizations and classes in school.

This year Ethics Council members relieved teachers of lunch line and balcony duties. They also took care of many of the problems which arose in the school.

The group meets every second and fourth Monday of each month to discuss any problems which might arise concerning the actions of the student body. The Ethics Council works very hard for the betterment of the school and its activities.

Student Council Leads; Sets Examples, Rules

Entertaining the freshmen on Orientation Day is the first duty of the Student Council. Their next project is the publishing of the Student Directory. Before long Homecoming arrives, and work on the parade, assembly, and coronation ceremony progresses at a rapid pace.

With the ringing of Christmas bells, the members add to the holiday spirit of the school by decorating a Christmas tree in the main corridor.

Spring arrives bringing with it the election of a track queen. Organizing the election of the new student council president provides a lively finale for the work of this group.

Emerging from a meeting Student Council officers, Bill Pirtle, *vice-president;* Judy Van de Velde, *secretary;* Sue Martin, *treassurer;* and John Peden, *president,* discuss current activities.

K-Chronicle Presents First News First at KHS

School news and world events are vividly portrayed by the members of the *K-Chronicle* staff. Under the leadership of Margaret Baumgartner, editor, George Guzzardo, managing editor, and Mrs. Katharine Spicer, advisor, the group provides Kewanee High School with interesting news stories, fascinating features, and hilarious jokes.

In addition to their staff duties, the *K-Chronicle* staff takes an active part in the social life of KHS. All who buy a subscription to the "K" are the guests of the staff at a dance. Sponsoring the Funerama and co-sponsoring the Mid-Winter Formal are a few of their other activities throughout the school year.

Future Homemakers

Making happy homes now and in the future is the aim of the Future Homemakers of America, under the guidance of Mrs. Anna Tumbleson.

At the monthly meetings, the many worthwhile projects are planned and discussed by the FHA members. One of its annual projects is the selling of mums at the Homecoming game.

During Christmas the girls sell cards and send a gift basket to needy families. Each spring the FHA spsonsors its annual Turnabout Dance. Girls create original corsages consisting of various fruits, vegetables, and baked goods. Prizes are awarded for the most original, edible, and beautiful corsages. In April, one week is set aside to make the school and community more aware of FHA's work. There is also a banquet held in May.

Farming At Its Best

Care of domestic animals has been an important part of FFA activities this year, but care of the human animal has consumed most of their time.

Early in December the annual Green-hand Initation was held in conjunction with the 4-H Achievement Night. The Kewanee FFA sent teams to the land judging contest held in October, the Parliamentary Procedure contest in March and the Public Speaking contest in April. Ag basketball along with a liberal sprinkling of parties provided entertainment during the year.

Kewanee is unique in that it maintains a school farm where the projects of city boys interested in ag are kept.

The highlight of the year was the annual FFA Banquet held April 26 and attended by over 400.

1960 Staff Presents New Yearbook Ideas

Sighs of relief are heard by all as each page of the 1960 *Kewanite* is completed and sent to the printer. Promised deadlines must be met!

Preparations for the yearbook began in the spring of '59. Layout editor, Charles Dines, worked feverishly to get the plans to the engraver. The sponsorship staff, under Nancy Arnold, paced the streets securing ads to finance the book, while copy editors, Susan Dunn and Carole Wilmarth, assigned all written materials to their staff. Flashbulbs snapped as the photographer, Fred Waterman, began his tedious job. Watching over the bustle was the advisor, Mrs. Dorothy Dick, and the editorial staff, headed by editor, Connie Maxwell, and managing editor, Michel Cisco.

Gaily painted posters filled the halls as the *Kewanite* members presented an assembly to head the subscription campaign. As an added attraction, a color telephone was given to the name drawn from the subscription stubs.

Discussing the many problems that arise while working on a yearbook are Connie Maxwell, editor-in-chief; Mrs. Dorothy Dick, advisor; Michel Cisco, managing editor.

Training for the Future

Training to be mechanics, carpenters, and machinists, are some of the goals of the boys enrolled in Diversified Occupations.

The D. O. students, under the direction of Mr. Galen Landis, display a different and unusual exhibit in the agricultural shop window each week.

A picture is taken of each weekly exhibit and a paper is written describing it. In the future, the D. O. class hopes to put these in booklet form and send copies to other schools having such a class.

DE Stresses the Importance of Experience

In the field of retailing a versatile personality and a more-than-average performance are two important characteristics. Attaining these objectives has been the goal of the Future Distributor's class this year. With the instruction and guidance of Mr. John Fischer, the DE students have worked to achieve these goals.

The students in DE gain valuable experience in their chosen field of work. In the morning they attend regular classes, including classes in Distributive Education. Then, in the afternoon, the students work in various stores in Kewanee.

Industrial Education Offers Basic Training

Contributing a new and original Christmas decoration for the school was the latest project of the Industrial Education Club. This decoration, a star lighted by blue bulbs, could be seen many blocks away.

For the past three years members have made puzzles, which they sell to the student body. The coat check at basketball games is another one of the IEC's money-making projects, the receipts of which contributed toward the state convention.

The Industrial Education Club also takes time out to organize a basketball team, which is actively participated in by all the energetic members.

Taking time out from their busy schedule are Industrial Education Officers T. Westlin, reporter and assistant secretary; D. Roesner, treasurer; G. Hulslander, vice-president; D. Swearingen, president; W. King, secretary; R. Workheiser, assistant sentinel; W. Orr, assistant treasurer.

Stagehands: S. Andreae, E. Hill, R. Daulton, F. Waterman, K. Barnes, R. Hultgren, J. Astrosky, C. Hechtner, J. Draminski, L. Wager.

Stagehands, Librarians Ready, Willing, Able

"Always ready but never seen" might well be the slogan of the KHS Stagehands. Controlling the lights, sound effects, and helping with the needed equipment used in class plays, movies, and assemblies keep this group busy.

Increased efficiency and helpfulness are the center of discussion at each Future Librarians Club meeting. This all-girl organization, consisting of student librarians, meets every two weeks. The highlight of the year is the presentation of silver pins and guards, awarded to all members at the beginning of the second semester.

Future Librarians: Standing—S. Clark, A. Hansen, C. Thurwanger, P. Collinson, L. Buckley. *Seated*—J. Howe, E. Smith, C. Hamilton, J. Johnson, Mrs. Verbout.

1959 Varsity Football

Minus the usual week of pre-school practice, the Boilers launched their 1959 season with a definite handicap. But with the able coaching of Mr. Don Anderson, and line coach, Mr. Adam Lazar, the Boilers were in shape to win the season opener against Canton. Plagued by fumbles for the rest of the season, the Boilers were not as fortunate against Dekalb, Dixon, Galesburg, or Ottawa. Tying Princeton and Streator rounded out the season for a team unable to fully capitalize on its potential.

Underclassmen Gain Experience for the Future

The Kewanee Riveters, coached by George Keist and Charles Johannson, ended the season as Illini-Conference champs with a 2-6 record. They downed Canton 19-0 and Galesburg 14-0 in the Illini and lost to Princeton 13-0, Streator 7-0, DeKalb 14-6, Ottawa 33-12, and Dixon and Sterling by identical 13-7 scores in the NCIC. Bad weather caused a cancelation of the Monmouth game.

Freshman competition has always provided top talent for varsity action. Coach John Smith's team compiled a 1-5-1 record this year. They downed Princeton in their opening encounter 6-0, and then tied Toulon 0-0. They lost to Churchill and Lombard of Galesburg 28-0 and 18-7. They were beaten by Monmouth 28-13, Canton 33-0, and Bettendorf 37-13.

Cheerleaders Boost Spirit As Boilers Steam On

"Hi Ho Boilermakers, Steam On" is a familiar cry as the versatile and vivacious cheerleaders of KHS arouse school spirits. Under the supervision of Mrs. Pauline Scott, the group works out its own techniques and motions, always striving for the best possible cheers.

Practice is held every Thursday evening and here polish and gloss is added to the cheers performed in pep assembles and games.

Springtime brings Riveter and Varsity try-outs with the final selection made by a chosen group of student and faculty members. Those chosen will carry on the high standards and ability shown yearly.

Grappling Advances

Wrestling has gained a toehold in the KHS sports scene. Despite a rather poor 2-7-3 record, the season was brightened by individual victories and increasing crowds. Kewanee's two victories were over Geneseo and Orion. Tying Galesburg twice and Streator once, the grapplers' defeats came at the hands of Dixon, Ottawa, Rock Falls, Sterling, Geneseo, and Orion. John Roginski, Larry De Keyser, Doug Sinn, Mike Hadsall, and John Peden qualified for the Sectional Meet by placing in the District.

Golf, Cross Country Stress Training, Willpower

Cross Country has become one of Kewanee's major sports. This year the KHS harriers won dual meets with Geneseo, Princeton, and Orion, and tied with Galesburg. The Boilers copped 11th at Sterling, 2nd in the Illini and 7th in the NCIC conference meets.

Golf has again gained prestige in the world of KHS sports. With returning lettermen Gary Ward, Tom Janky, Gabriel Janky, and John De Keyser, the experienced squad has had an active year. Besides participating in the Illini, NCIC and District meets, the linksmen played individual contests with conference schools.

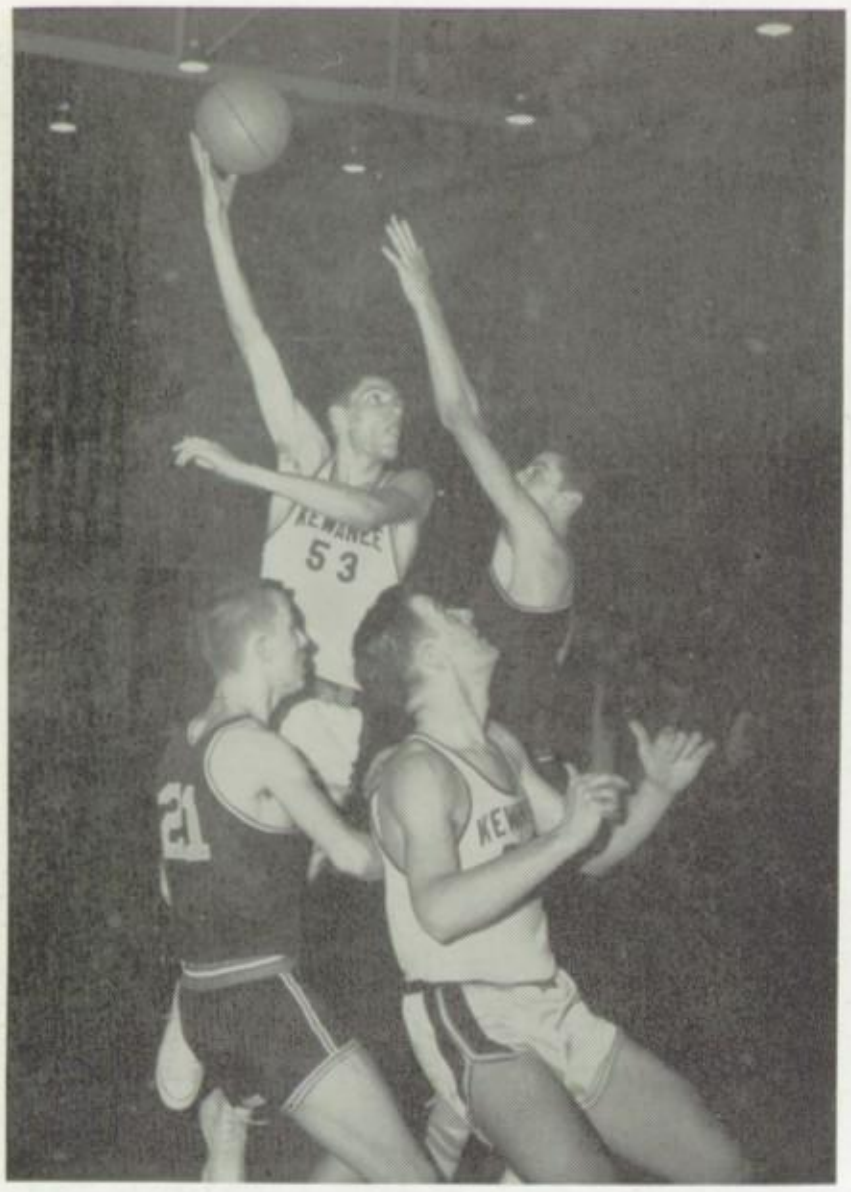
Basketball Brings KHS School Spirit to a Climax

The 1959-60 Boilermaker basketball team was plagued by misfortune all year. Injuries to key personnel caused the orange and black clad cagers to turn in a poor 4-19 record. Their four wins were over Rochelle, Abingdon, Hall Township, and Canton. Regional Tournament victories were over Wethersfield, Annawan, and Bradford.

Junior Varsity programs provide game experience for the boys that will make up the teams of the future. This year Coach Keist led the JV's to a 4-4 record. They whipped Geneseo twice, Farmington, and split with Morrison while dropping two to Galesburg and one to Sterling by one point.

Junior Varsity: Coach Keist illustrates fine point of basketball to JV players, G. Vancil, D. Fulton, D. Kenney, D. Good, D. Lyle, R. Fulton, J. Boylan.



Clarence Hicks hooks for two points.

The Boilers of Tomorrow Build for the Future

Coach Lazar's Riveters, haunted by bad luck throughout the entire season, ended with a 0-20 record. However, they have high hopes for next year.

In his first year of coaching at KHS, Mr. Johannsen led his freshman "A" team to a 4-7 record beating Geneseo, Morrison and Canton. They also lost several close games.

Freshmen Squad: *Front Row*—Manager T. Hansen, P. Jepson, D. Niedziela, E. Parkinson, F. White, J. Euard, Coach Johannsen, R. Jackson. *Second Row*—J. Van de Velde, J. Dixon, D. Halsey, T. Spikes and Flippers

With the first advent of good weather, Coach Adam Lazar begins recruiting for the summer baseball program. Returning with six lettermen from the previous season, the team recorded a creditable 8-8 record.

For the first time KHS has fielded a swimming team. Coach John Fischer's team won only one meet this year due to lack of depth, but several of their losses were close ones.

Coach Adam Lazar watches the smooth ball handling of the infielders.

KHS Trackmasters take NCIC, Illini Titles

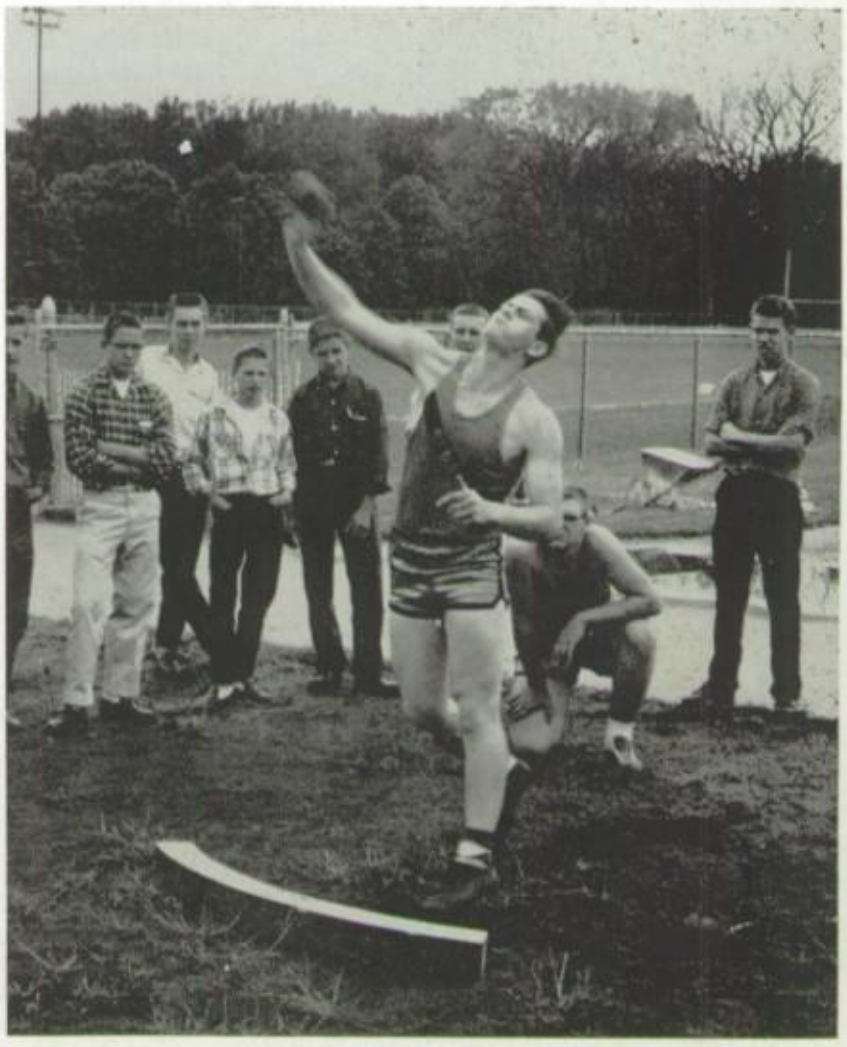
The 1959 track team, under the direction of Coach H. F. Brockman, posted a fine record of seven wins and one loss. The Boilers walked off with first place honors at both the NCIC and Illini Conference meets. At the district meet, seven Kewanee boys qualified for the state finals at Champaign-Urbana.

Kewanee opened its season with a blazing victory over Wethersfield. On April 2, the team journeyed to Geneseo and downed both Galesburg and Geneseo. Next, the Boilers rolled over Canton and in a fourway meet, beat Princeton, Hall, and Depue.

On April 16, Kewanee hosted the annual Kewanee Relays. Again the Boilers proved supreme, running up 86 points for the win.

Kewanee took its first setback at the Monmouth Relays, but bounced back on April 25 to take the class B Normal Relays. KHS rolled on and took the Illini meet and top honors at the NCIC.

The Boilers rounded out a most successful season by placing second in the district meet.



Ed Lamb puts shot as George Turnbull awaits his turn.

Warming up for the big meet, Terry Zang and Bob Smith sprint around the track.

Track Statemen: *Kneeling*—L. Lyle, H. Hamilton, R. Arentsen, G. Geirnaeirt, Wethersfield. *Standing* — Coach Brockman, D. Lee, C. Hainline, B. Smith, T. Zang, Coach Bragiel, Wethersfield.

Cheered by enthusiastic Kewanee track fans, Jim Ririe plunges over the finish line in the 880 yard dash.

Grace, timing, and rhythm are evident assets in the modern dance program.

Through Intramurals Girls Gain Co-ordination

Girls' intramurals are open to all girls in school. The program is organized and conducted by GAA and is designed to complement the girls' physical education program. It offers competition in round-robin play four nights a week and is climaxed with inter-class games.

The first two sports offered in this program are softball and basketball. Girls may participate in both at the same time.

Bowling is next, with interested girls struggling to raise their scores. Following bowling is modern rhythms. As rehearsals progress for the annual dance program, hidden talent is discovered and shown to the public.

At the YMCA, swimming is offered. Learning the fundamental strokes of good swimming and toning up muscles are two objectives of this sport.

Soon to follow swimming, are volleyball, badminton, and table tennis, all exciting sports, where the co-ordination and timing of individuals stand out.

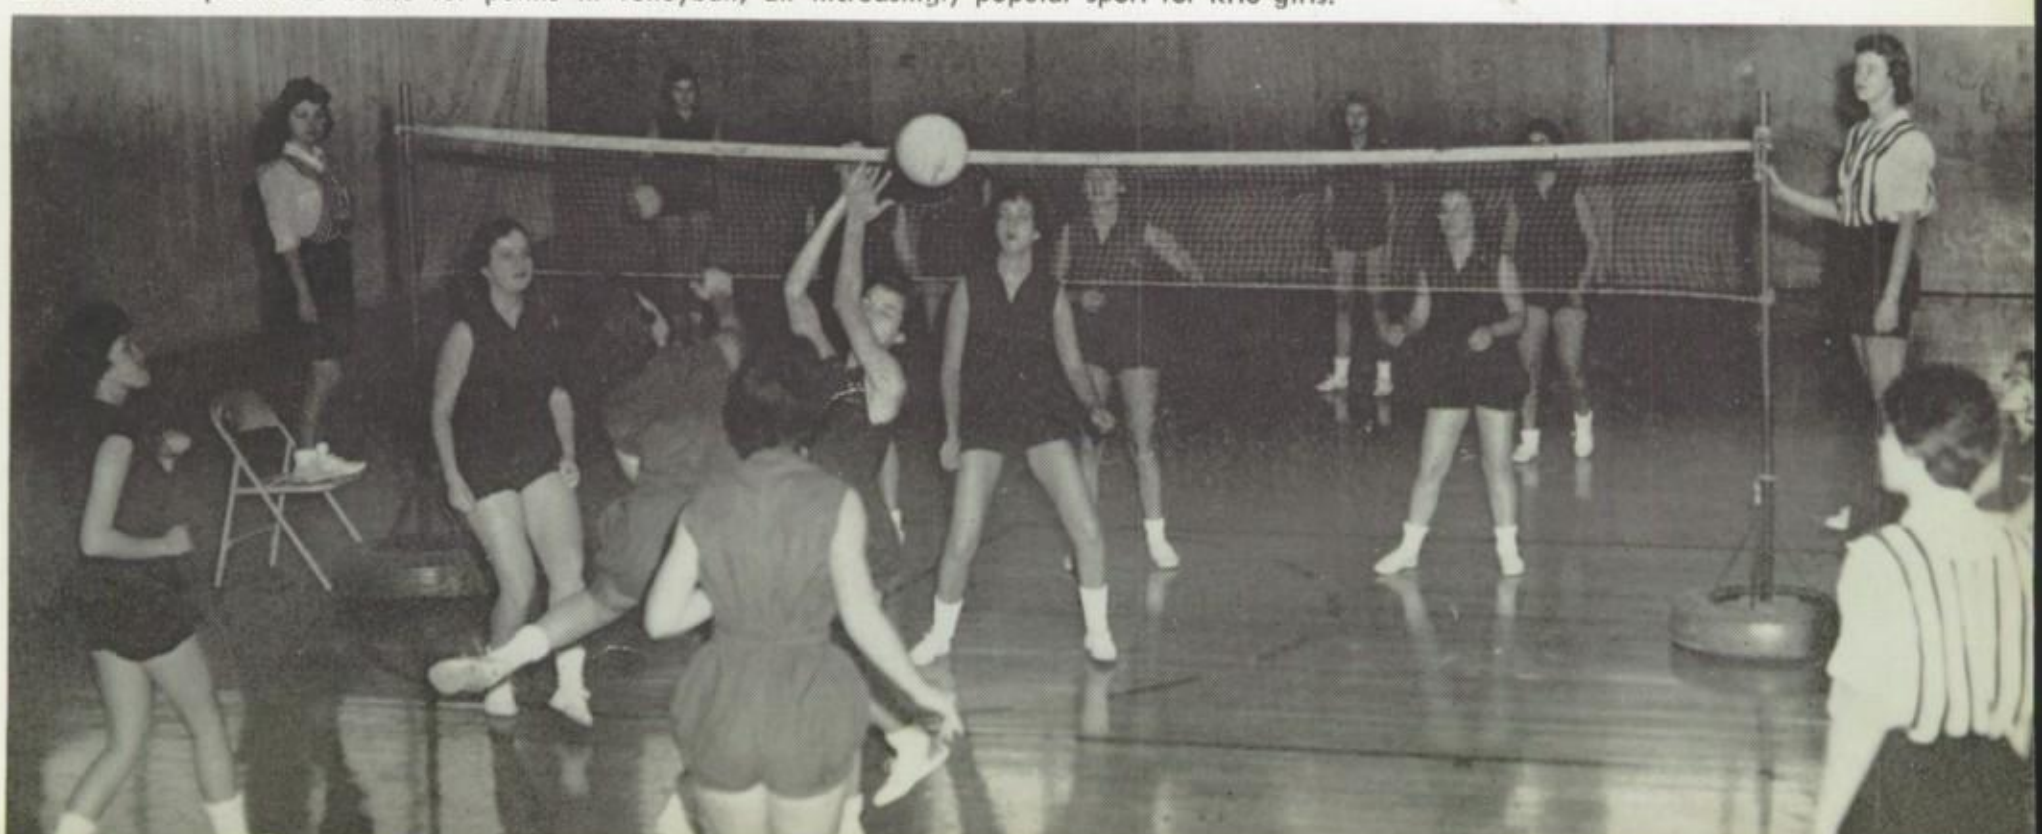
Basketball, an exciting and strenuous sport, taxes the strength and spirit of all involved.

"Love — 40" is an everyday phrase for all tennis enthusiasts.

Learning the fundamentals of the golf grip are four inexperienced KHS linksmen: J. Josephson, C. Heyndrickx, M. Kirley, and S. Callewyn.

With a strike in mind, Jo Hatcher and Joy Gamble deliver their balls as Elaine Hultquist, Kay Hanson, and Jennie Josephson observe.

Enthusiastic sophomores battle for points in volleyball, an increasingly popular sport for KHS girls.



We Progressed by Working with PEOPLE

Artistic talents are developed through instruction and experience.

Students find the library an invaluable source of material and a place for quiet concentration.

Administrative Officials Direct School Affairs

Keeping the school system running on an even keel is the time consuming job of the Administration. This year School District 229 has a welcomed addition in its midst — our new Superintendent of Schools, Joy Whitener. Providing us with excellent teachers and a well-rounded curriculum our hard working superintendent was much in demand with his official duties.

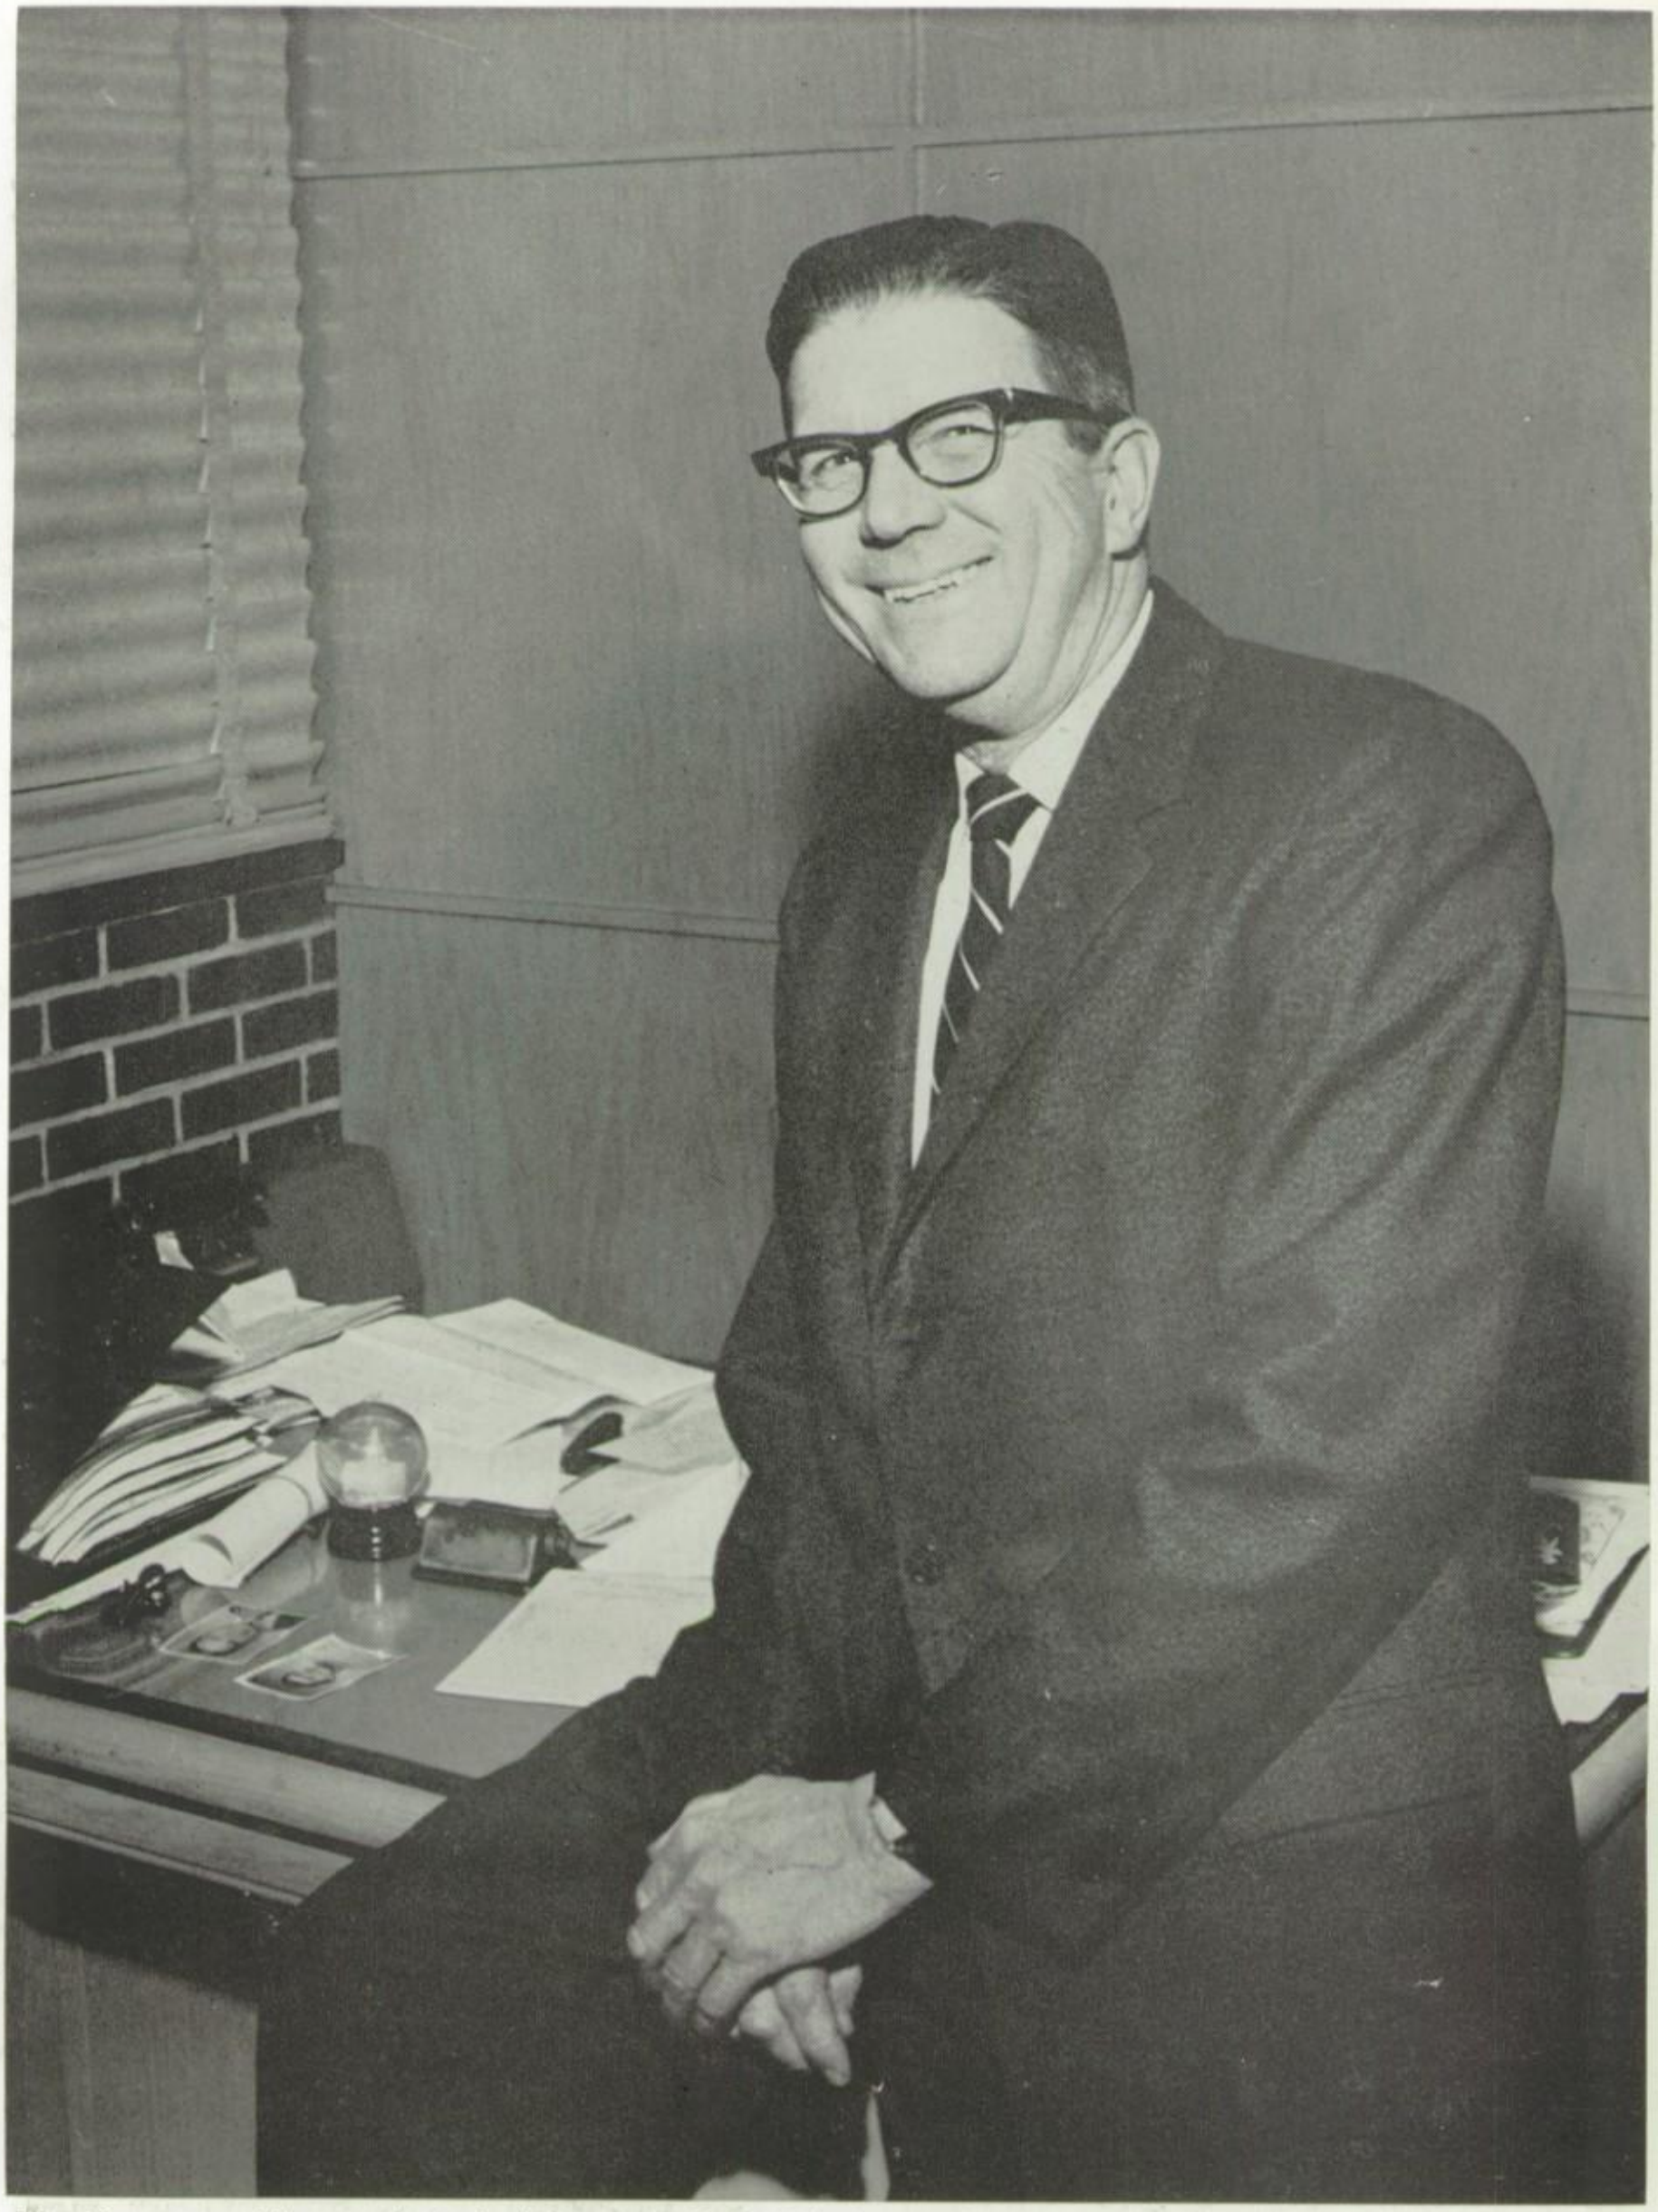
The Administration is handled by a team of able men and women. This team includes the Board of Education, which makes the school policies; Mr. Bridgeford, the proficient business manager; Miss Berry, test administrator; and the efficient secretaries.

Mr. Bridgeford, business manager.

Miss Wesebaum, secretary to the superintendent.

Mrs. Helen Collins and Mrs. Shirley Golden, secretaries.

Miss June Berry, test administrator.



Mr. Dinsmore Wood, principal of Kewanee High School, is a familiar figure in the halls of KHS. With his hearty smile, understanding nod of the head, and friendly hello, our capable and energetic principal guides the routine of our school.

Efficient Secretaries Run School Smoothly

Mrs. Tilson, registrar, transfers activity money bags to vault.

Miss Utz, art secretary, distributes supplies to art student.

The high school administrative staff is headed by Mr. Wood, principal. Mr. Wood received his B.S. degree at the University of Kansas. He obtained his M.A. at the University of Michigan and did graduate work at Columbia University.

Assisting Mr. Wood is the office staff consisting of Mrs. Mary Jane Tilson, registrar; Mrs. Genevieve Daniels, office clerk; and Miss Margaret Hoose, office secretary. Miss Jeanne Utz handles the secretarial work of the Art Department. Their combined efforts keep the school running efficiently.

Mrs. Daniels, office clerk, puts mail and announcements in faculty boxes.

Miss Hoose, office secretary, prepares announcements.

Miss Pletkovich, Dean of Girls, checks over the daily attendance records.

Mr. Middleton, Dean of Boys, outlines his duties for the day.

Counselors Promote Student Welfare and Success

Each morning at 8:05 the Deans, Mr. Middleton and Miss Pletkovich, can be seen signing admittance slips, recording attendance and performing other daily duties familiar to KHS students. Counseling students in the problems encountered in high school life is their main responsibility. Mr. Middleton also teaches history and is in charge of the honor study halls while Miss Pletkovich teaches bookkeeping.

Mr. Pryor, our guidance counselor, directs students who are interested in college. He is in charge of the standardized tests given besides teaching history.

Mr. Pryor, guidance counselor, consults records of pre-college students.

"Neither rain, sleet, nor snow" prevents the bus drivers from carrying out their duty of transporting students to and from school.

Cooks Prepare Meals, Nurse Protects Health

Preparing and serving meals to students at KHS provides the cooks with a full schedule from early morning until mid-afternoon. Not only do they serve our food, but they also prepare meals for the elementary schools in the area. Choice amounts of proteins, carbohydrates, and fats are served in every meal, in addition to appetizing selections ala carte.

Tending our sore throats, colds, and minor ailments keeps Mrs. Harvey and her assistant Mrs. Welch busy throughout homeroom period every morning. Without their services disease and illness would contaminate the entire student body.

"It doesn't look sore," says Mrs. Harvey, the school nurse, as she inspects Hayden Younggren's throat.

Tom Blake, president, makes reservations for the Senior Class Banquet.

Mrs. McKinney, advisor, and Walt Ptasnik, vice-president recall the past successes of the Class of '60.

The Class of 1960 . . .

"The hard to do we do immediately; the impossible takes a little longer!"

Adopting this as their motto, the class of '60 steamed ahead toward that long anticipated goal of graduation.

Winning second place honors in the Homecoming Parade with their float "Our K-night in Shining Armor" and staging a lively skit full of vampires, ghosts, and mystery, the sophisticated seniors participated in their last KHS homecoming.

With their senior class play "The Night of January 16th" this charged-up class provided a "first" in KHS entertainment with their dramatic portrayal of an actual court trial.

Being measured for caps and gowns, selecting commencement announcements, writing College English term papers, anticipating graduation awards, applying for jobs or entrance to college – all added to the final swirl of activities for the unique class of 1960, the first to complete four years in the new high school.

Nancy Arnold, secretary, and Connie Maxwell, treasurer discuss plans for the long-awaited graduation.

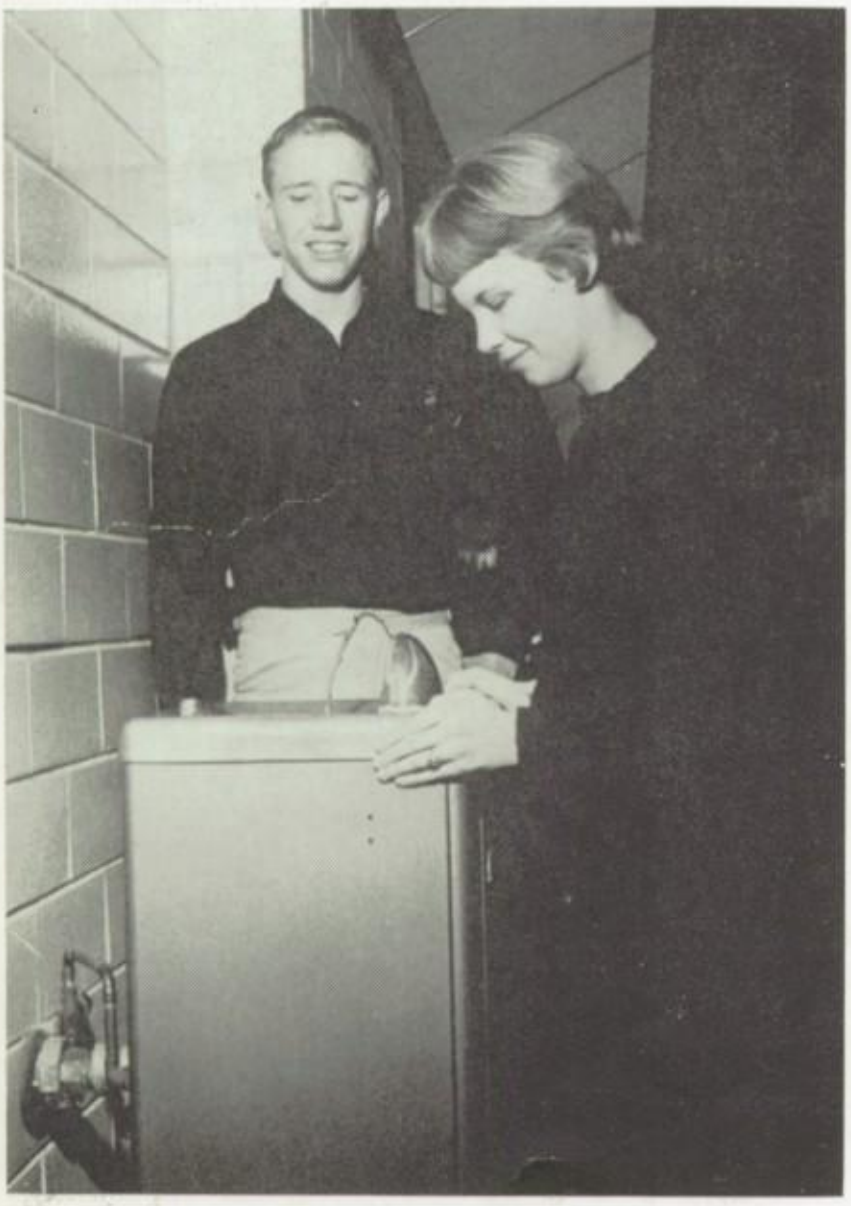
The Class of '60 . . .

Bob Majeske, president, is seen on his way to a class officers' meeting.

Dave Good, vice-president, discusses plans for the Prom with Miss Kimmel, advisor.

As Juniors We Assumed Varied Responsibilities



Upperclassmen at last! Becoming jaunty juniors the class of '61 elected Robert Majeski, president; Dave Good, vice-president; George Smith, secretary; and Mary Alice Lindsey, treasurer.

Advised by Miss Elsie Kimmell the Juniors plunged headlong into their varied schedule of activities. Entertaining at Homecoming with their beatnik skit and winning third place with their float "An Udder Victory," provided an energetic introduction to junior activities for the class of '61. The play, "Father Goes to Mars" continued the tradition of light comedy. Earning money for the Prom took much time and energy for this 'candy selling' class.

In contrast, the Scholarship tests and the mysteries of chemistry, advanced algebra, and English sobered the pace of these upperclassmen.

George Smith, secretary, and Mary Alice Lindsey, treasurer, pause for a drink.

As Worldy Sophomores We Gained Confidence

From green freshies to smooth sophomores seems an impossible hurdle, but the class of '62, feeling confident of their place in KHS life, illustrated their new sense of importance in the election of class officers. Tom Anderson was chosen president; William Orr, vice-president; Marilyn Monroe, secretary; and Vicki Terry, treasurer.

Advisd by Mr. James Golby, the sophs played host at the annual Harvest Ball and took first place honors with their Homecoming float "Sink the Pirates."

Struggling through biology and plane geometry proved a challenge as the sophomores, looking forward to being upperclassmen, selected class rings.

Marilyn Monroe, secretary, and Vicki Terry, treasurer, work on Homecoming activities.

Awed Freshmen Beheld First Glimpses of KHS

Groping their way through the first bewildering weeks of high school life, the class of '63 began their busy year with the election of Dennis Niedziela, president; Edward Parkinson, vice-president; Karen Kucukas, secretary; and Pat Wysowski, treasurer.

Plunging excitedly into KHS activities, the "freshies" were entertained by the seniors at the Freshmen-Senior Reception, October 3. Building their Homecoming float and contributing a skit to the assembly, introduced the newcomers to Homecoming activities.

With the issuing of the first six weeks report cards, the shocked freshies resolved to study, study, study.

Karen Kucukas, secretary, and Pat Wysowski, treasurer, clean out a locker for locker inspection.

Kewanite Finished -- *Kewanite* Staff Done For

"We've had it!" The chaos pictured above could easily be mistaken for the scene of a terrible battle for only the charred ruins of the late *Kewanite* staff remain to bear testimony of the war against time. The *Kewanite* staffers pictured above are in the midst of the alternating periods of uncontrollable hysteria and utter despair that is prevalent in yearbook staffs who are faced with deadlines that have expired weeks before, and who have given up all hope of publishing a yearbook as an idle dream.

From the maze of ideas, suggestions, and layouts the 1960 *Kewanite* has become a reality, with the professional assistance of Tichenor's Studios, Mr. Norman Semmelroth of Record Printing and Advertising Company, and Mr. Larry Wells of Capitol Engraving and Electrotype Company.

In keeping with the theme of "Dedicated to Achievement as Citizens and Students," we have emphasized both world-wide achievements and achievements in our world of KHS. We feel that this yearbook represents an achievement that will have a permanent place as the official record of our high school days.

We sincerely hope that now and in the years to come as you reminisce with your *Kewanite,* the memories of the classes and teachers we complained of but loved, the excitement of football and basketball games, the memories of Prom and plays will come alive for you and transport you back to the year 1960.

My High School—

The total enrollment for the 1959-1960 school year at KHS totaled 708 students and thirty-nine faculty members. Of the 708 students enrolled, 170 were seniors, 189 were juniors, 198 were sophomores, and 151 were freshmen.

We have pride in our new superintendent, Mr. Joy E. Whitner, and Mr. Dinsmore Wood who is serving his fourteenth year as principal of KHS. We also have pride in the fact that KHS offers seventy-two subjects in thirty-four classrooms, besides fourteen sports and twenty-seven organizations.

Our school colors of orange and black and our school song "On Ever On Kewanee High School" inspired the tournament team to bring home the Regional Tourney Basketball trophy.

Gold and white was chosen by the class of '60 as their graduating colors.

Dear Nancy, I'm glad you're graduating from high school. Now you can get married and have children. I'm sure you will be very happy. Don't forget to write to me. Love, Donna

To Nancy.

I hope we can have a lot of good times in the future. It isn't every day that someone as nice as you comes along. From reading ~~them~~ some of these other ones it sure sounds like every one knows me. Isn't that right?

Good luck with "Bob".

All my love.

Bob

Dear Nan,

Boy, what does one have to do to get to this place. Wow!

Sometimes when you have such a long journey ahead of you, things sometimes don't go right. But this is it, there always comes a time when you have to close your eyes, take a deep breath and jump in the deep end. P.S. and swim the best you can.

Love,

Bob
